McPHERSON COUNTY FAIR 1948-2021

On February 19, 1948 the McPherson County Fair Association was formed, combining the Canton Frolic and the Fair Association. Sam Bolin, resident of Canton, was the first President of the Fair Association and is a former member of the executive board. After meeting with the McPherson Chamber of Commerce and finding that McPherson was not interested in hosting the county fair, a motion was made by the fair association to purchase land north of Canton to be used as the site for the McPherson County Fairgrounds.

During the early years of the fair, most of the fair was held on Main Street in Canton, but the rodeo and some of the exhibits were north of town. As there were no permanent buildings on the fairgrounds, most of the exhibits were housed in tents. Later in the 50s, the cattle sheds and two round top buildings were constructed on the grounds. In the 60s and 70s, two other metal building were put up and the cattle sheds were added. In 1997 a 40' x 100' community type building was added. These buildings still stand and are what house the McPherson County Fair today.

In 1954, a buffalo barbecue was started at the fair. At first, the feed was free to the public, then for a short amount of time it was changed to requiring a ticket to a main event at the fair to get a sandwich. After two years, it was switched back to a free barbecue though due to the cost of buffalo the barbecue now serves beef. The men of the Canton Volunteer Fire Department have always cooked the meat. Since 1957, the McPherson and Beef Producers have been supporting the barbecue.

Through the years, the McPherson County Fair has had many different

events to attend. Everything from exhibits (both 4-H and open classes), carnivals, concerts, parades, tractor and mini rod pulls, pony pulls, midget racers, flea markets, commercial exhibits, dances, ball games, mud volleyball games, horse shows, and a buffalo chip throwing contest. Added in 2003 is a rodeo queen and princess contest. There have also been free drawings and raffles where everything from TV's, cars, freezers, beef and saddles were given away.

Two of the biggest main events at the fair are the rodeo and the demolition derby. There has been a rodeo at the fair since 1959. Along with the rodeo there have been calf, pig, and chicken scrambles for the kids and a wild cow ride and steer dressing for the adults. There were also years where there was a rodeo queen.

In 1982 the first demolition derby was started. In 2003, the McPherson County Fair Association hosted its 21st annual demo derby for McPherson and surrounding communities. This event is held on the last Sunday of the fair. Through the years, we have seen more entries and a growing number in attendance.

Other significant years of importance are in 1994 when the 50' x 100' Exhibit Building was added. In 2008 the 50' x 50' Concession/Restroom building was completed and then finally in 2015 the 80' x 100' Bradbury Show Arena was finalized to commemorate Diane Toews.

With all of this, it is still the people of McPherson County and the town of Canton with their hard work, long hours and dedication that have kept the McPherson County Fair going for 73 years.

Good Luck at the County Fair!

GENERAL RULES AND REGULATIONS

See additional general rules for 4-H at beginning of 4-H section, page 14.

1. The McPherson County Fair Association, Inc., its officers or representatives are not responsible for any loss, damage, accident, injury or death from any cause, to persons, animals, or exhibits. The Fair Association will exercise all reasonable care and protection of exhibits at the fair.
2. The Fair Association reserves the right to assign any space or pen, and no exhibitor will be allowed to sublet or sell any space, privilege, or pen without the consent of the Fair Association.
3. Entries must be entered on Thursday, July 15, between 5 p.m. and 8 p.m. except as otherwise stated in the official Fair Program Book. Prepared Foods, Floriculture, and Crops and Gardens are to be entered Friday, July 16, between 8 and 9:30 a.m. Livestock entered according to fair schedule, page 2, or the department rules for each species. Entry of exhibits is made in the building/area where they are exhibited.
4. All entries in exhibit building must remain until 7 p.m. Saturday evening. PLEASE REMOVE ALL ENTRIES PRIOR TO 8 P.M. SATURDAY. UNLESS OTHERWISE STATED ENTRIES MUST BE CHECKED OUT WITH DEPARTMENT HEADS. ENTRIES TAKEN BEFORE THE SCHEDULED RELEASE TIME WILL FORFEIT ALL AWARDS AND PREMIUMS. Premium awards will be mailed.
5. The decisions of the judges will be final. Should any exhibitor take exception to decisions or act unmannerly, they may be expelled or banned from completing for premiums or exhibiting.
6. All exhibits, with the exception of Antiques, must be of the current year's production, the work of the exhibitor, and entries must be made in the amount indicated in each class. Antiques may not have been exhibited in last year's fair. Only classes listed in the catalog are eligible for premiums.
7. All animals exhibited must comply with Kansas sanitary regulations governing the show of livestock. Each exhibitor must furnish feed and bedding for his animals. Exhibitors will be required to keep their places and stalls in a clean condition by removing manure and litter from places and stalls.
8. All animals are subject to a health inspection at the time of unloading or shortly thereafter. Those with evidence of a contagious or infectious disease will be refused entry. Use of tranquilizers will not be allowed.
9. Cruelty to Animals Policy: The McPherson County Fair Association defines cruelty to animals to be striking an animal with an object with such force as may cause damage or bleeding, inclusive of improper care. Cruelty will not be tolerated at any time for any reason on the fairgrounds. Any youth or adult being cruel to an animal will result in immediate disqualification of the individual.
10. 4-H animals may show in open class.
11. Breed class consist of 3 or more animals.
12. If no competition in classes, award is left to the discretion of the judge.
13. Best of Show plaques/awards will be given if quality merits.
14. The fair management will pay premiums as listed in the catalog. Additional awards may be given by outside interest, but are not guaranteed by the fair.
15. All exhibits not removed at the close of the fair will be taken to the McPherson County Extension Office.
16. These rules and regulations are established for all departments of the McPherson County Fair. Other regulations may be found preceding the listing of the classes in some departments. 4-H members must abide by 4-H rules and regulations. See the 4-H Department catalog or contact the county Extension Office.
17. The Fair Associations has done away with some categories due to lack of interest. If there is a category that you feel should be in the catalog next year, please let us know at a Fair Board Meeting.
18. No animals except exhibited animals allowed on fairgrounds.

605 - Broccoli (1 plant)
606 - Cabbage (1 head)
607 - Carrots (5)
608 - Cucumber, pickling (5)
609 - Cucumber, slicing (5)
610 - Eggplant (1)

GENERAL RULES - FOODS

Recipes are required for all categories unless otherwise noted. Exceptions are Decorated Cake and Canned Vegetables nor Dried Foods, which do not require recipes. Recipes for baked goods must be typed on a 8 1/2" x 11" sheet of paper with name, address, and phone number in the bottom left corner (this will be hidden from the judge). Do not submit these on an index card or you will be lowered one ribbon placing. Index cards will only be accepted if specified in specific contest rules and other special contest entries. Entries will be placed into the bake sale. Alcohol will only be allowed as an ingredient used in a recipe if it is cooked or baked into a product.

All baked items are to be entered on a sturdy, but disposable plate. Paper and plastic plates should be of a size to properly show the entry (neither too large or too small and of an appropriate shape). Heavy corrugated cardboard can be cut to be 1" larger than the entry and cardboard must be covered with food-grade material. No plastic or loose wrap. Product must fit in a "single bag". Use a turkey roasting bag for large exhibits. All entries must be safe for consumption. Refrigerators are not available.

FOOD PRESERVATION

1. Eligible entries must be preserved in a clear regulation canning jar. Jar should be the same brand as ring & seal, but not required. Ball®, Kerr™, Atlas, Mainstays, and Golden Harvest are some examples of jars & lids specially designed for home canning. Rings must be rust free.
2. All preserved foods must be prepared within a one-year (1 year) period prior to the judging date.
3. Preserved food entries must have the following information on a 3" x 5" card stating: **NAME OF PRODUCT, DATE PRESERVED, TYPE OF PACK (HOT OR COLD), PROCESSING METHOD AND TIME, POUNDS OF PRESSURE (FOR LOW ACID FOOD), ALTITUDE WHERE PRODUCT WAS PROCESSED, & COUNTY OF EXHIBITOR.** If you have additional information about the item entered, you may include it on your card.
4. Recipes are required EXCEPT where otherwise noted.
5. Recipes should be put on back of information index card or a separate index card stapled to the first card.
6. Using the guidelines from the National Center for Home Food Preservation, visual inspection will be used for judging. Entries must be in compliance with current USDA guidelines. Visit <http://nchfp.uga.edu> or contact your local extension office for safe food preservation practices.
7. Do not put any labels or decorations on the jars. Judges need to see the product through the glass jar and should not know who entered it.

QUALITY CRITERIA

1. Safety is of utmost importance. Any entry not in compliance with judging guidelines or exhibiting spoilage must be disqualified.

FILLED JAR

1. Headspace must correspond to instructions from the reference guides listed. The top of the finished recipe or liquid covering produce must provide adequate headspace as stated in approved guidelines.
2. Air bubbles must be kept to a minimum. (Gas bubbles denote spoilage and can be identified by movement of bubbles to the surface of the product while the jar is stationary. Products indicating the presence of gas bubbles must be disqualified.)
3. Bands should remain on the jars while in transit to the fair event. Remove bands carefully to determine if the headspace is correct. Replace bands for product display.

HEAT PROCESS

1. Methods used to heat process food must comply with current preserving guidelines as stated in the approved reference guides. The boiling water process for high-acid food and pressure process for low-acid food are the only recommended methods to preserve food in jars for shelf storage.
2. Time for correctly heat processing food varies depending on each specific recipe or food type. Processing time must be in agreement with the approved reference guides.

PRODUCT APPEARANCE

1. Produce should be free from blemishes, disease, and spoilage. Recipes prepared with stems, pits and peels intact are acceptable if the recipe is in keeping with approved guidelines.
2. Liquid must be clear and free from cloudiness and small particles unless the inherent characteristics of ingredients effect product clarity.
3. Color of the finished product should be as close as possible to its natural characteristics or that for cooked product.
4. Texture is affected by heat processing; however, the finished product should not easily break down or appear over-cooked.
5. Ingredients should retain their shape and size based on the type and preparation method. Ingredients should be cut in uniform pieces and packed evenly into each jar, allowing adequate room for liquid to circulate throughout the jar during processing.

YOUTH AGE CLASSES: Participants must be 18 or under as of January 1, current year

1. Youth classes follow the same rules and guidelines as all other food classes unless otherwise stated.
2. Entries should be in the name of the person who made the product. **Product must be made by the exhibitor.** Minor assistance is permitted from a parent when necessary.
3. Recipes are required for all categories unless otherwise noted. Recipes for baked goods must be typed on an 8 1/2" x 11" sheet of paper with name, address, and phone number in the bottom left corner (this will be hidden from the judge). Do not submit these on an index card or you will be lowered one placing. Index cards will only be accepted if specified in specific contest rules. Youth Divisions along with some Special Contests, also require youth age on the recipe. Refer to division rules
4. ** Members of the same family cannot use the same recipe. **Siblings using the same recipe will be disqualified.** The decision of the superintendent is final.

- 611 - Kohlrabi (5)
- 612 - Okra (5)
- 613 - Onions, yellow (5)
- 614 - Onions, white (5)
- 615 - Onions, red (5)

GENERAL RULES FOR 4-H DIVISION

1. Read "General Rules."
2. The age of a 4-H exhibitor before Jan. 1, of current year.
A – Clover Bud: 5-6; B – Beginner: 7-8; C – Junior: 9-11;
D – Intermediate: 12-14; E – Senior: 15 and older.
3. Those enrolled in the 4-H Cloverbud program may enter exhibits appropriate for their age. They may **not** enter livestock exhibits. Clover bud members will **not** be eligible for prize money. All Cloverbud entries are non competitive.
4. 4-H members from any county may show in any class, including live stock showmanship classes. However, the highest scoring McPherson County participants will have preference to show in the Round Robin.
5. **CHECK SCHEDULE OF EVENTS FOR EXACT TIME EXHIBITS ARE TO BE IN PLACE.** Entry tags should be completed upon entering exhibits. 4-H Divisions exhibit in same buildings as Open Exhibits of the same type unless otherwise noted. See Open Division classes for locations. In case an exhibitor has more than one entry in the same class, they may have another 4-H member or members assist them.
6. All exhibits must be the result of the exhibitor's **current year** projects and a product of the exhibitor's effort.
7. Exhibit classes that are an educational or static display must conform to the following guidelines unless stated otherwise in a specific division. Exhibits may include a poster no larger than 22" by 30" a commercial, tri-fold display board no larger than 3'x4' or a table-top display no larger than 4'x4'. Notebooks should be 3-ring binders. Read class rules carefully as some exceptions may apply. If any project is larger and 3' by 3' or if the project requires being displayed other than as a table top display the Superintendent needs to be contacted before July 1 in order to allow for space needed or other special needs for display.
8. Club members staying with livestock must be under direct supervision of their parents or their club leaders.
9. All animals are subject to a health inspection at the time of unloading or shortly thereafter. Those with evidence of a contagious or infectious disease will be refused entry. Use of tranquilizers will not be allowed.
10. All exhibitors must furnish their own feed, straw and equipment and will clean up their area before they check out.
11. All livestock should show appropriate breed characteristics. Any animal believed to not have specific breed characteristics will show in a crossbred class.
12. Livestock exhibitors must show their own animals. In case an exhibitor has more than one entry in the same class, they may have another 4-H member or members assist them.
13. The McPherson County Fair Association, management and sponsors will in no way be held responsible for any loss, damage, accident, injury or death from any cause, to persons, animals or exhibits.
14. Showmanship plaques will be awarded.
15. Blue, red and white ribbons will be awarded to each meritorious exhibit. Premiums will be paid to blue and red ribbon winners. Only lue ribbon quality and above can be named as class champion or reserve champion. The judge's decisions are final. Judges may at their discretion not award champions, if they feel the entry or entries are not worthy.
16. Grand Champion and Reserve Grand Champion will be awarded in each department. Plaques will be awarded to Grand Champion where noted.

SPECIAL AWARD: A special cash award of \$100 will be given to the McPherson County 4-H Club with the highest number of entries. A cash award of \$65 will be given to the club with the second highest number of entries and \$45 will be given the third highest number.

20 4-H DIVISION ROUND ROBIN SHOWMANSHIP

Saturday, July 17, 2021
7 p.m. - Beef Show Arena

1. The following will be awarded in this division - Grand Champion Intermediate and Senior Round Robin Showman. The Reserve Champion in each age division will be recognized.
2. The following livestock areas are included: Dairy Goat, Meat Goat, Beef, Dairy, and Sheep.
3. Read "Livestock General Rules."
4. All 4-H members are eligible to exhibit in their project species and can be declared a showmanship winner in more than one species area. (See 4-H general rule 4.)

Members will advance to the Round Robin in the first species they are named a champion. If a member wins more than one showmanship contest, the order of advancement to the Round Robin will be based on the ascending order of judge's rankings.

5. All participants for each species will receive a zero (0) score on the species they are representing. Each show person will be judged using a 20-point system on each of the other five species.
6. The winners will be announced at the beginning of the C.P.R.A. Rodeo Saturday evening.
7. A member may indicate prior to leaving the arena after showmanship if they intend to decline

the Round Robin opportunity.

8. Round Robin participants are encouraged to attend a voluntary practice session Saturday after noon at a time set by the superintendents.
9. The superintendents for the Round Robin Showmanship will consist of the superintendents from the livestock divisions (Dairy Goat, Meat Goat, Beef, Dairy, Sheep and Horse).
10. The Intermediate Junior and Senior Round Robin Showmanship contests will be held simultaneously. Each participant will have 3-5 minutes to show each species involved.
11. Tie-breaking method will be determined by the superintendents

and announced before the Round Robin begins.

CLASS (A)

- 1 - Round Robin Showmanship

21 4-H DIVISION BEEF

PRIZES: Blue \$10; Red \$6.

blackberries, raspberries, or other similar sized fruits. Tree fruits (5 each) apples, pears, peaches or other similar sized fruits. Grapes (2 bunches).

(B) INDIVIDUAL VEGETABLES

2601 – Small vegetable specimen plate (12) Ex. Green snap beans, yellow wax beans, other small vegetables.

2602 – Medium vegetable specimen plate (5). Ex: cucumbers, cherry tomatoes, tomatoes, beets, white onions, yellow onions, red onions, bell peppers, other peppers, okra, parsnips, radishes, sweet potatoes, red potatoes, white or Russet potatoes, carrots, other medium vegetables.

2603 – Large vegetable specimen plate

(1) Ex: watermelon, summer squash, winter squash, pumpkin, eggplant, cabbage, cantaloupe, other large vegetable.

2604 – Fresh Culinary Herbs (6) Ex: parsley, basil, dill, etc. Six stems (or a comparable quantity) of ONE VARIETY of fresh herbs exhibited in a disposable container of water. Dried herbs are not accepted.

2605 – Small Fruits (one half pint box) Example: Strawberries, raspberries

2606 – Tree Fruits (Plate of 5) Apples, pears, peaches etc.

2607 – Grapes (Plate of 2 bunches)

2616 – Horticulture Notebook. Entry shall consist of a note book or three ring binder of written narrative describing a horticulture project. Encouraged to include photographs, illustrations, and/or landscape drawing that help explain work done by the member. May enter up to two notebooks.

(C) CROPS

1. All entries must be identified by hybrid or variety name.

2. All classes calling for a gallon sample may have a 2-1/2 to 3 inch diameter cylinder placed in glass gallon container to reduce the amount of grain.

3. Exhibits should be as mature as possible.

4. Products exhibited must have been grown by the 4-H member in

the current year, with the exception of soybean seed and edible field bean seed.

2621 – Hybrid Grain Sorghum, 10 heads

2622 – Hybrid Forage Sorghum, Exhibit to consist of entire plant, no roots, 10 heads.

2623 – Other forage sorghums, entire plant, 10 heads.

2624 – Corn, 10 ears, any variety.

2625 – Wheat, one gallon, any variety

2627 – Soybeans, one gallon

2631 – Sunflower Oil Seed heads - 3 heads.

2636 – Alfalfa, one flake or slice from a rectangular bale or a 10-inch section from a round bale, tied in two directions.

2637 – Grass Hay (see alfalfa, class 2636)

2641 – Soybean plants, bundle of 5

2643 – Edible field beans, bundle of 5 (with roots intact)

2644 – Miscellaneous Crops, one gallon or 10 heads.

(D) FLORICULTURE

2617 – Annuals (one stem)

2618 – Perennials (one stem)

2619 – Fresh Cut Flower Arrangement. Flower materials must be grown and/or collected by exhibitor.

2620 – Dried Flower Arrangement (no fabric or plastic material allowed.)

29 4-H DIVISION FOOD & NUTRITION

**PRIZES: Blue \$3.50; Red \$1.50.
Best of Show plaque will be awarded.**

1. 4-H'ers must be enrolled in project level exhibit.
2. Read General and 4-H Rules.
3. Exhibits brought to the fair must be ready for display. Exhibits must be in food grade plastic bags, disposable plastic containers or boxes. Foods will be judged Friday and sold on Friday and Saturday so food will need to be quickly rewrapped after judging. Foods may be placed on foil-covered cardboard cut slightly larger than the item. **ENTIRE PRODUCT MUST BE ENTERED UNLESS OTHERWISE SPECIFIED.**

4. All unfrosted cakes shall be exhibited in upright position with top crust showing, except those cakes with special designs such as Bundt cakes, which should be top crust down.

5. 4-H'ers may enter 4 entries with no more than one per class, plus 1 favorite food entry. This means each 4-H'er can have 5 total food entries per level enrolled.

6. Educational Exhibit Definition: Can be a poster, notebook, other display showing and describing something learned, a project activity done, a food nutrition community service program, etc. Should relate to things done in the project in which the member is enrolled. See 4-H general rules.

7. All foods will be left and included for sale, with proceeds to benefit premiums, etc. Any exhibit brought to the fair in a pan will have the pan sold with the food.

8. NO ALCOHOL should be included as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.

9. For food safety purposes, any food with custard and cream cheese type fillings and frostings, flavored oils, "canned" bread or cakes in a jar, cut fresh fruit or food requiring refrigeration will be disqualified and not judged.

10. Complete recipes with ingredients and instructions must be attached to the entry, or the placing will be lowered one ribbon when judged. Secure the recipe to the outside of the wrapped exhibit. **Do not place recipes inside wrapped food items as this can make them unreadable for the judge.**

11. Conference judging is not mandatory. However, the 4-H'er may attend while their exhibits are being judged and talk with the judge judge, answering or asking questions.

(A) LEVEL I AGES 7- 8 Include Recipe CLASS

1801 - Popcorn Snack (1 cup)

1804 - Four (4) No-Bake Cookies

1805 - Four (4) Mighty Muffins (from a mix)

1806 - Lunch in a Pocket

1807 - Four (4) Cupcakes (frosted)

1808 - Four (4) Drop Cookies

1809 - Favorite Food

1811 - Educational Exhibit

(B) LEVEL II AGES 9-11 Include Recipe CLASS

1812 - Four (4) Muffins, using at least 1/4 cup whole grain

1813 - Four (4) Nutritious Drop or Bar Cookies (baked)

1814 - Four (4) Creative Cookies

1815 - One (1) Fruit Leather or Dried Fruits (1/3 to 1/2 cup)

1816 - One (1) Loaf Quick Bread, using at least 1/2 cup whole grain

1819 - Coffee Cake, one (1) 8 inch square or one (1) 9 inch by 1-1/2 inch round (in disposable pan)

1820 - Favorite Food

1822 - Educational Exhibit

(C) LEVEL III AGES 12-14 Include Recipe CLASS

1823 - Whole Wheat Bread (one loaf)

1824 - White Bread (one loaf)

1825 - Breakfast Bread (quick bread) (one loaf or 4 muffins)

1828 - Favorite Food

1830 - Cake made from a cake mix, iced.

1831 - Decorated cookies, 4

1832 - Modify a Recipe to make the product healthier. Bring original and modified recipes and new product.

1833 - Cake made from a cake mix, not iced (angel food, sponge, etc.)

1834 - Educational Exhibit

(D) LEVEL IV AGES 15 -19 Include Recipe CLASS

1835 - Unshortened Cake (Foam, Sponge, Chiffon, and Angel Food) from scratch, one whole cake.

1836 - Shortened Cake (cakes leavened with baking powder and/or soda and acid, as well as steam and air) enter one whole cake.

1837 - Cake made from cake mix with improved nutritional value (whole cake)

1838 - Any International Yeast Bread (whole product or 4 rolls)

1839 - Fruit Pie or Tart (whole product or 4 tarts)
 1840 - Favorite Food
 1841 - Modify a Recipe to make the product healthier. Bring original and modified recipes and new product.

1842 - Decorated cookies, 4
 1843 - Food Gift Package. Must contain at least 3 different food items prepared for human consumption by the member in a suitable container. Prepared food items must have recipes attached with the entry. Additional home-made food items or purchased items may also be included in the gift basket. On back of entry card answer: What is the intended use? What food safety precautions were taken during and after preparation?

1844 - Educational Exhibit

(E) YEAST BREADS CLASS

Open to any food projects member. Include Recipe

1845 -White bread (loaf)

1846 -Whole wheat or multi-grain bread (loaf)

1847 -Yeast rolls (3)

1848 - Specialty Bread, example 3 pretzels, 3 bread sticks, a fruit bread or tea ring

1849 - Bread made from a Bread Machine

1850 - Educational Exhibit

**30 4-H DIVISION
 DECORATED
 COOKIE JAR**

PRIZES: Blue \$4.50; Red \$3.50.

Open to all 4-H'ers. Do not need to be enrolled in a Foods Project.

1. Fancy assorted cookies in a clear glass, wide mouth jar of 1 gallon capacity.
2. Decoration may not extend more than approximately 4" beyond jar. Cookies should be visible through at least 50 percent of the jar.
3. Each cookie should be wrapped separately in clear plastic wrap.
4. Jar will count 50 percent, 50

percent cookies. Jar must be filled with not less than 4 different kinds of cookies, from different batters and doughs. Recipes for each cookie must accompany exhibit.
 5. Bring one of each kind of cookie in a covered flat box with each cookie individually identified and wrapped in plastic wrap, so the judge will not need to open the jar.

6. Cookie jars can be done as a team or as an individual.

A) Decorated Cookie Jar

CLASS

1850 - DECORATED COOKIE JAR

**31 4-H DIVISION
 FOOD PRESERVATION**

PRIZES: Blue \$3.50; Red \$1.50.

Best of Show Plaque to be awarded.

1. Read "General Rules."
2. 4-H'ers are required to bring recipe for all foods to be judged. Recipes will not be returned to the 4-H'er. You may use regular recipe

cards, but please include your name, year and name of entry.

3. Recommended method of processing must be used. Follow guidelines in K-State Research and Extension Food Preservation publications or USDA's Complete Guide to Home Canning or So Easy to Preserve 6th Edition, cooperative Extension Service The University of Georgia; or Ball Blue Book of Preserving (2012) Open kettle processed food and oven canned food will be disqualified.

Pickles and sweet spreads must be finished using the water bath process for the altitude of residence. Low acid products must be pressure processed properly for altitude of residence.

4. Exhibits must be sealed in clean standard jars with matching brand two piece lids. Jars must be sealed when entered. Fancy padded lids, fabric overwraps or cozies interfere with judging and should not be used.

620-628-4495

5. Exhibitors are limited to 2 entries per class, with a maximum of 8 entries.
6. All containers of pickles, jelly and other sweet spreads will NOT be opened and examined for quality by the judge. No paraffin allowed to seal jams or jellies.
7. Entries must have been preserved since the previous year's fair.
8. NO ALCOHOL should be included as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
9. Recipes must include the recipe source, date of publication and altitude of residence. Label each jar or item with class No., Division, Product, Canning method, process time, pressure (psi), date processed including month and year, name and county/district. Label must not cover brand name of jar.

(A) CLASS

- 1101 – Sweet Spreads; one jar
- 1102 – Fruits, Juices; one jar
- 1103 – Low Acid Vegetables (green beans, corn, etc.); one jar
- 1104 – Pickles and Relishes; one jar
- 1105 – Tomato/Tomato Products; one jar
- 1106 – Meats; one jar
- 1107 – Dried Foods: one kind of dried food products to be in a small canning jar. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 cup to 1/2 cup, or three or four pieces per exhibit. Meat jerky must be cooked to 160 degrees F before or after drying. Dried products must include recipe and preparation steps. Jerky not heated to 160 degrees F will not be judged.

32 4-H DIVISION PLACE SETTINGS

Prizes: Blue \$3.50; Red \$1.50, Best of Show Plaque to be awarded

1. Members are limited to one

- entry. Must be enrolled in the foods and nutrition project.
2. The emphasis will be on the presentation of the menu and place setting.
3. The place setting and menu should represent the phase you are enrolled in.
4. Centerpiece may include flowers home raised or commercially produced, however, the 4-H member should make the arrangement.
5. Exhibit should consist of table linens, dinnerware, glassware and flatware for main course ONLY. No serving dishes. Items in the display can be purchased, borrowed or something already owned. An itemized expense list must be included.
6. Menu should be correctly written on a 3x5 card. Name of exhibitor should be on back of card.
7. Space per exhibit will be approximately 15x24 inches. Tables provided, but member may bring own table.

(A) PLACE SETTINGS

All exhibits should have a casual theme.

- 1128 - Exploring members
- 1130 - Level I
- 1132 - Level II
- 1134 - Level III
- 1135 - Level IV

33 4-H DIVISION CLOTHING

PRIZES: Blue \$3.50; Red \$1.50.

Best of show Plaque to be awarded.

1. Read "General Rules."
2. Garments may be worn, but must be carefully laundered before exhibiting.
3. No exhibitor may make more than two entries in any one class. A garment may only be entered in one class.
4. Each garment or article should have a tag approximately 2 in. x 3 in. sewn in (written in ink or typed) giving name, age, and club. Tags are available at the Extension Office and from clothing leaders.
5. Care labels are not required.
6. A two-piece outfit is two pieces

- that can be worn together at the same time but not necessarily a complete outfit. For example: vest and skirt. A three-piece outfit means that at least 2 of the pieces can be worn together at the same time. All 3 must be made by the exhibitor.
7. Recycled clothing project is an item made of at least 50% recycled material (recycled means reusing an existing item in a new way) must include sewing of some kind. A 3x5 card MUST accompany entry describing the recycled materials and how they were used in the item.
8. Pre-cut kits are acceptable for all clothing classes. All articles/garments must be finished for use.
9. Educational exhibit classes may be in the form of a poster, note book or display. See 4-H General Rules.

(A) LEVEL I: (ages 7-8) CLASS

- 0801 – An article
- 0802 – A garment
- 0803 – 2 piece coordinated outfit
- 0804 – Recycled Clothing project
- 0805 – Educational Exhibit

(B) LEVEL II: (ages 9-11) CLASS

- 0806 – An Article
- 0807 – A garment
- 0808 – 2 or more piece coordinated outfit
- 0809 – Recycled Clothing Project
- 0810 – Educational Exhibit

(C) LEVEL III: (AGES 12-14) CLASS

- 0811 – An Article
- 0812 – A Garment
- 0813 – 2 or more piece coordinated outfit
- 0814 – Recycled Clothing Project
- 0815 – Educational Exhibit

(D) LEVEL IV: (AGES 15 and older) CLASS

- 0816 – An Article
- 0817 – A Garment
- 0818 – 2 or more piece coordinated outfit
- 0819 – Recycled Clothing Project
- 0820 – Educational Exhibit

34 4-H DIVISION FIBER ARTS

PRIZES: Blue \$3.50; Red \$1.50.

Best of show Plaque.

1. Read "General Rules."

2. Patchwork and quilting entries must use the heritage/fiber arts forms throughout the entire piece. Quilting or patchwork that is included as a component of a constructed garment should be entered in the clothing dept.
3. Articles normally worn as a pair or set must be shown together. Fasten articles together securely with yarn.
4. Special consideration will be given to articles which are the 4-H'er's original design. Such articles should have a note attached explaining the original design.
5. All articles/garments must be finished for use, including appropriate hangers for item meant to be hung.
6. Limit of exhibits is 3 per class.

(A) 4-H FIBER ARTS CLASS

- 0701 – Crochet – an article
- 0702 – Knitting – an article made either by hand or knitting machine
- 0703 – Needle Arts – an article created by hand using any of the following techniques: embroidery and cross-stitch, needlepoint, candle wicking, crewel, lacework, and/or appliqué.
- 0704 – Patchwork and Quilting – an article
- 0705 – Rug making – a rug
- 0706 – Spinning – a skein
- 0707 – Weaving – a woven article
- 0708 – Ethnic Art, an article
- 0709 – Macramé – an article
- 0710 - Fiber Arts Educational Notebook. Format requirements from Extension Office.

35 4-H DIVISION HOME ENVIRONMENT

PRIZE: Blue \$3.50; Red \$1.50.

Best of show plaque to be awarded

1. Read "General Rules.
2. A summary including plans, explanation of how items were made or refinished and how it fits into the color and design of the room must be included. Summary could also include project inspiration, challenges, who helped you, and any other

information that could be helpful to the judge.

3. Projects with missing or insufficient summary will be lowered one ribbon placing.

4. Exhibits should be of high quality (as compared to quick simple crafts) suitable for use in the home several months throughout the year. Holiday-specific items are discouraged.

5. Class 1201 - members are to make a complete card table display. Posters may be used. Provide table. Entries should fit in a 3x3 square against the wall. Emphasis on display will be on telling the story of what was done in project by using pictures, models, actual objects etc. Display may show a process, finished product, before/after, something learned etc. A written story will not be allowed.

6. See 4-H rules for educational display requirements.

(A) HOME ENVIRONMENT CLASS

1201 - Room Display - 4-H'ers are to make a complete card table display. Posters may be used. Tables will be provided. Exhibit should fit in a 3' x 3' square against the wall. Displays are not to exceed a standard commercial 3'x4' tri-fold display board. Emphasis of the display will be on telling the story of what was done in their 4-H project (by using pictures, models, actual objects, etc.). Display may show a process, finished product, before/after, something learned, etc. A WRITTEN STORY WILL NOT BE ALLOWED.

1202 - Single Exhibit (An article made or refinished by the 4-H member for the home.)

1203 - Poster

1204 - Notebook

36 4-H DIVISION ARTS/RAFTS

PRIZE: Blue \$3.50; Red \$1.50.

Best of show plaque to be awarded

1. Read "General Rules."
2. Exhibitors are limited to 2 entries per medium, with a

maximum of 6 entries. A set is considered a single entry.

3. Exhibits must be completed projects. (Example, if exhibit is to be hung on the wall, it must have a hanger.)

4. Exhibitor will determine whether exhibit is an art or craft.

(A) CLASS

All age divisions are eligible for these classes.

2501 - Arts

2502 - Crafts

2503 - Lego Sculpture

2504 - Duct Tape Item

37 4-H DIVISION EXPLORING 4-H

No plaque is awarded in this department.

PRIZE: Blue \$3.50; Red \$1.50.

1. Read "General Rules."
2. 4-H'ers cannot enter more than two exhibits in any one class, maximum of six entries.
3. Exhibit must be similar to those suggested.

(A) CLASS

2901 - Foods - a baked item (nutritious snack, 1 cup; cookies, 4; etc.) Recipes should be included with food items or Menu Poster (meals for one day, showing how to meet 4 food groups, not larger than 16x20 inches).

2902 - Sewing item (any item that is made using hand stitching and/or straight stitching on the machine.) Examples could include oven mitt, TV slippers, dresser scarf, tote bag, sewing tool caddie, pin cushion, etc.)

2903 - Scrapbook, Photo story or Photograph (Photo will be standard size (3" or 4") prints with 3 or 4 prints mounted on a photo mount. See photo class option for Unit 1.)

2904 - Outdoor (Examples include: nature rubbings, display of insects, rocks, or bird nest, etc.)

2905 - Constructed item (Examples: woodworking, bird house, models, foot scraper, rocketry, metal item.)

2906 - Terrarium or horticulture items.

2907 - Cut Flower, Flower arrangement or houseplant

2908 - Craft items

2909 - Geology

2910 - Miscellaneous (Must be done in project.)

2911 - Small Animal (no cats, hand pets, poultry, rabbits etc.)

38 4-H DIVISION WOODWORKING

PRIZE: Blue \$3.50; Red \$1.50.

Best of Show Plaque.

1. Read "General Rules."
2. All exhibits must have been the current year's work.
3. An exhibitor cannot exhibit more than three articles in any one class, no more than six entries total.
4. The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built

using the plan as a guide. In addition, include a list and cost of materials, plus amount of time spent on constructing and finishing the article. The list should include all wood, hardware, finishing supplies, etc. All paperwork should be secured to the project in some manner.

5. In judging woodwork articles, consideration will be given to usefulness, design, workmanship, choice of ability and quality of finish. The use of materials other than wood should be limited.

6. Refinished/repaired furniture and pre-cut kits are not allowed.

7. If project needs table space or floor space larger than 3' x 3', the superintendent must be contacted **on or before July 1** to allow display room for project.

Entry of project will not be allowed if superintendent is not contacted.

39 4-H DIVISION ENERGY MANAGEMENT

PRIZE: Blue \$3.50; Red \$1.50.
Best of Show Plaque.

(A) ELECTRIC

1. Read "General Rules."
2. Exhibitor will be limited to four entries in this division.
3. Article should be cleaned before exhibiting if it has been used.
4. A sheet of operation instructions should be furnished for any exhibit not self-explanatory.
5. Exhibit should be able to be operated. If battery power required, batteries should be furnished. Classes 2701, 2702 and 2703 must be operable using only 110 or 120V AC or battery power.
6. Any project with a complexity of size or electronics must have: 1. instructions for assembly and use; 2. equipment available at the time of judging for actual testing of the exhibit. Exhibits must be constructed so judges have access to examine the quality of workmanship.
7. All exhibits must meet minimum safety standards and be constructed so judges have access to examine quality of wiring workmanship.
8. Exhibits will be divided into age divisions.

CLASS

- 2701 - AC Electric Projects. Electric projects with a 110 or 120 V alternating current power source. Projects may be a restoration or original construction. No 240 V exhibits are allowed.
- 2702 - DC Electric Projects. Electric projects with a battery or direct current power source. Includes electric kits or original projects.
- 2703 - Electronics Projects - Projects with a battery or direct current power source. Includes

electronic kits or original projects. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Examples: radios, telephones, toy robots, light meters, security systems.

2704 - Educational Displays and Exhibits. Includes any educational displays, exhibits or science fair projects which DO NOT have a power source. i.e. exhibits, posters or displays of wire types, conduit types, electrical safety. Displays and exhibits must be legible from a distance of four feet. See 4-H Rules.

(B) SMALL ENGINES

1. An exhibitor may make one entry in each class.
2. Read general rules.

BEGINNER (1st or 2nd YEAR) CLASS

4201 - Display identifying different engine or lawn and garden equipment parts OR a display showing the function of the various engine or lawn and garden equipment parts; OR (2) a display identifying and explaining the functions of different special tools needed for small engine work OR (3) display illustrating and providing results of any one of the experiments included in project books. NO complete engines, lawn tractors, tillers, chainsaws are permitted for display. Displays are limited to 4' wide and 4' deep- both upright and floor displays.

- 4202 - Safety posters pertaining to lawn mowers and small engine equipment.
- 4203 - Operation Posters listing procedures for winter storage, maintenance etc.
- 4204 - Maintenance-Exhibit a display that illustrates either 1) Routine maintenance procedures OR 2) Diagnosing and troubleshooting specific engine problems. Advanced (3 or more years in project)

CLASS

- 4205 - Rebuild or repair a small engine. Must have engine type, model and serial number and if 2 or 4 cycle.
- 4206 - Display (see class 4201

for options)

- 4207 - Maintenance (see class 4204)
- 4208 - Operation. Exhibit an operable small engine (no more than 20 hp) overhauled or rebuilt by the member. Include maintenance schedule and description of steps taken in work.

(C) ALTERNATE ENERGY (A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves)

All exhibits are limited in size to standard, tri-fold, display boards (36"x48") and items may not extend beyond 12" from back board. All displays must be self-standing.

4620 - Educational Display - Create an exhibit addressing a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

4621 - Experiment - Display an experiment addressing a problem or question related to power generated from a renewable energy source, include hypothesis, background research, variables, a control, data, findings, conclusions and recommendations for future study.

40 4-H DIVISION PHOTOGRAPHY

PRIZE: Blue \$3.50; Red \$1.50.
Best of Show Plaque

1. Read "General Rules."
2. Either black & white or color photographs are allowed in all classes. Monochromatic prints including sepia prints are also acceptable and are considered color photographs.
3. Enlargement Mounting Procedure: Photographs must be no larger than 8" x 10" and no smaller than 7" x 9" after trimming. They are to be mounted across the narrow (11") dimension of an 11" x 12.5" sheet of white or cream studio matte board, with the top edge of the print 1 inch below the top of the cardboard and with two sides of the print

equal distance from the two sides of the mount. A permanent mount should be made, using photographic dry mounting tissue or spray adhesive. Remove white border from enlargement before mounting. No lettering or dates are permitted on the front of the mount or on the photo. Foam core boards are not allowed. Photos mounted on poster board will not be displayed. No underlays or mats are to be used.

4. Exhibits must be placed in plastic bags which are available from the Extension office.
5. Photographs exhibited must be the result of the current year's project work by the club member.
6. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes.
7. Digital images that have had objects added or removed, multiple filter effects applied or black and white and color combined must be entered in the class for Computer Manipulated Photos.

8. Exhibits will be divided into age levels and years in project. Please indicate **both age level:** Beginner, Junior, Intermediate, or Senior **and years in project** A, B, or C in the **section column.** Class numbers are the same regardless of the age or years in project.

Beginner: Ages 7-8

Junior: Ages 9-11

Intermediate: Ages 12-14

Senior: Ages 15 & older

9. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. Review the Kansas 4-H Member Code of Conduct for examples.

10. Photos with live subject(s) on railroad right of way or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified.

11. Copyright protections must be observed.

12. Decisions as to display and/or penalties will be made by the Photography Department Superintendent.

(A) FIRST YEAR PHOTOGRAPHY MEMBERS

A maximum of two exhibits in classes 3201 and 3202; a maximum of 5 exhibits in classes 3203-3205 and one exhibit in class 3201: No more than 6 total exhibits can be entered.

CLASS

3201 - A display of 1 to 3 photos. Photos are to be 4"x6". Picture or pictures are to be mounted vertically on an 11"x12" mounting board.

3202 - Picture story. A series of snapshots, not to exceed 3 photos, that tell a story. Mount vertically on 11"x12-1/2" mount. No titles.

(B) PHOTOGRAPHY MEMBERS WITH 2 TO 3 YEARS IN PROJECT

Five exhibits may be entered in Classes 3203-3205.

Examples of photos include: people, landscape, nature, flowers, animals, photojournalism, action, still life, buildings, automobiles, special effects, and miscellaneous enlargement. For a total of 6 exhibits

CLASS

3203 - Color

3204 - Black & White

3205 - Digital Composite Image.

Photo must be from an original(s) taken by the exhibitor. Exhibitor must include a second 11"x12-1/2" mat board mounted with standard size print or prints (if more than one photo was used) of the original photo and a 3x5 card explaining what manipulation was done. Finished photo must be created from 2 or more original sources created by exhibitor.

(C) PHOTOGRAPHY MEMBERS WITH 4 OR MORE YEARS IN PROJECT

Five exhibits may be entered in Classes 3203-3205; Four exhibits in 3206-3209; for a total of (9) exhibits.

3206-Special Effects Enlargement
3207-Darkroom - an opportunity to treat one negative in any way exhibitor wishes, in regard to size of print(s), shape, color, or mounting procedure. ALL work, including developing and enlarging is to be done by 4-H member and the work is to be mounted on a standard 16"x20" studio mount. Contact print is required.

3208-Enlargement (Requires a contact print and enlargement made by the exhibitor. Must be properly mounted.)

3209-Pictures with special effects taken with adjustable cameras (Would include computer enhanced photos.)

41 4-H DIVISION STEM

PRIZE: Blue \$3.50; Red \$1.50.

Best of Show Plaque

1. Read "General Rules."
2. 4-H'ers cannot enter more than two entries in any one class.
3. 4-H'ers must be enrolled in project to enter.

(A) STEM ASTRONOMY

Open to members enrolled in the STEM Astronomy project

1. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes which require no construction or painting are not acceptable.

2. Telescopes are limited to no more than 2 feet in length and placed on a stationary stand. The stand cannot extend past 2 feet in length or width.

3. Each telescope exhibit must include a "4-H STEM Astronomy Exhibit Information form" which should be rubber cemented to the outside of a 10" X 13" manila envelope. Include construction plans (or photocopy) inside the envelope.

4. Two photographs showing telescope construction and operation are required. Photo-graphs should be mounted on one side of an 8-1/2" x 11" page. A caption should accompany each photograph. Place photos in manila envelope.

5. The telescope must be properly assembled and painted. Decals, if used, should be attached smooth and tight.

6. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.

7. Educational displays should be

creative and showcase something specific learned in the project. Follow 4-H rules for size of posters, static display and note books. No card table exhibits allowed. 8. Exhibitor's name, county, club, age, and year in the project must be tagged or labeled in a prominent location on the exhibit.

CLASS

- 3400 – Telescope made from kit
- 3401 – Telescope made from original design
- 3402 – STEM Astronomy Educational Exhibit or project notebook.
- 3403 – STEM Astronomy Educational Poster

(B) STEM ROBOTICS

Open to members enrolled in the STEM Robotics project.

1. Each robot must be free-standing, without the need of additional supports in order to be moved or exhibited.
2. Robot dimensions should not exceed 2' high x 2' wide x 2' deep. Weight may not exceed 15 pounds.
3. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure.
4. Robots must be powered by an electrical, battery, water or solar source only. Robots powered by fossil fuels/flammable liquids will be disqualified. All robots must include an on/off switch for

- operation. No remote control devices will be allowed.
5. Each robot must be in operable working condition. The judges will operate each robot.
6. Each exhibitor is required to complete the "4-H SpaceTech STEM Robotics Exhibit Information Form." This form must be attached to the outside of a 10"x13" manila envelope.
7. The exhibit must include written instructions for operation, construction plans or one to three pages of project photographs and robot programming information, if applicable. This information should be placed inside the 10"x13" manila envelope mentioned above. Robots that include weaponry of any kind will be disqualified.
8. Creativity, workmanship, and functionality will be strong criteria in judging the "Robot designed by Exhibitor" classes.
9. Exhibitor's name(s), club and county must be tagged or labeled in a prominent location on the robot, educational display, and/or notebook.
10. Educational displays should follow 4-H rules and be no more than 3'x3' of table space. No card table exhibits will be allowed. No electricity will be provided.
11. Team project notebooks must be organized in a 3-ring binder and should highlight information/

roles of each team member, drawings, charts, photographs, goals and objectives of your robotics project, and all robotic competitions your team has competed in during the current 4-H year.

CLASS

- 3404 – Robot made from a commercial (purchased) kit.
- 3405 – Robot designed and constructed by exhibitor. May not be merely modification of an existing robot kit or plan.
- 3406 – Programmable robot made from a commercial (purchased) kit.
- 3407 – New Class- Junk Drawer Robotics based curriculum robot.
- 3408 – Educational display, poster or notebook.
- 3409 – Team STEM Robotics Project. Robot designed and constructed by 2 or more 4-H SpaceTech STEM members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. Visit the STEM website www.STEM4KS.com for the current year's task and details.
- 3410 – Team Educational STEM Robotics Display or Project Notebook.

(C) STEM ROCKETRY

Exhibit Information for ALL STEM Rocketry categories:

1. Please use all current forms provided on 4-H Fair website at www.mcpherson.ksu.edu.
2. All National Association of Rocketry (NAR) documents, with the exception of the "pink book," referenced herein can be found at <http://www.nar.org>.

Exhibit Definitions for ALL STEM Rocketry categories:

1. As defined by the NAR, a scale model is "any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle."
2. Adult supervision is defined as being under the direct supervision of someone 18 years of age or older.
3. For the purposes of Kansas 4-H STEM a high powered rocket

is defined as a rocket that meets any of the following criteria:

- Is 2 inches or greater in diameter (not including fins) and taller than 3 feet (36 inches including fins);
- Weighs more than 3.3125 pounds (53 ounces or 1500 grams) at the time of launch;
- Uses an 'E' engine or larger to launch (2D's, 4C's, 8B's, etc.);
- The total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds of thrust.
- Models powered by rocket motors not classified as model rocket motors per NFPA 1122, e.g.:
 - i. Average thrust in excess of 80.01 Newton's
 - ii. Contains in excess of 2.2 ounces (62.5 grams) of propellant and are limited to only H and I m motors.
- 4. High power certification is defined as having successfully completed a certification program for high-powered rocketry through the NAR and maintaining that certification. This applies to all membership levels in the NAR.
- 5. NAR rules for launching and construction of all rockets are assumed to be used by all 4-H SpaceTech exhibitors and will be considered during judging.
- 6. For the purposes of Kansas 4-H STEM, NO rocket may be launched using engines totaling more than an 'I' impulse engine or 640 Newton-seconds of total thrust.

Exhibit Rules for ALL STEM Rocketry categories:

These rules apply to all rockets displayed in the STEM division.

1. 4-H members must be currently enrolled in the 4-H STEM Rocketry program to exhibit in this division.
2. The report that accompanies the rocket must be limited to the 4-H STEM Rocket Exhibit Information Form which is affixed to a 10" x 13" envelope. This may be downloaded from www.Kansas4-H.org/. Or found on the 4-H Fair website. Do not attach envelope to rocket stand or rocket.

3. Plans (or a photocopy) must be placed inside the envelope.
 - a. This includes original design rockets.
 - b. If a rocket kit has been modified structurally, notations need to be given indicating the changes made, either by notations on the STEM Rocket Exhibit Information Form or by placing notes in the plans
4. One or more photographs of the rocket at the launch site are required.
 - a. Photographs showing the rocket at the moment of ignition are preferred.
 - b. Photographs must be mounted on one side of 8 1/2" x 11 page(s).
 - c. There must be at least 1 page of photos and no more than 5 pages of photos.
 - d. Include at least one photo showing rocket construction, preferably with the exhibit included.
5. To exhibit in this division:
 - a. The rocket must have been flown.
 - b. Support rods must not extend past the tip of the highest nosecone on the model.
 - c. Support rods must remain in the upright position, 90 degrees to the display base, do not angle. If support rods are not perpendicular to the base, the judge should deduct two ribbon placings.
 - d. No model may be submitted on a launch pad.
 - e. Do not include photos of members catching their rockets as they return to earth. This is an unsafe practice, and we do not recommend or condone this practice.
6. Launches should not be conducted in winds above 20 mph, and will constitute a disqualification of rocket exhibit.
7. The altitude achieved by the rocket is to be determined using a method other than estimation. See 4-H Project material for examples.
8. Flight damage is to be documented by the participant on either the construction plans or the 4-H STEM Rocket Exhibit Information Form.
9. All rockets must have a safe method of recovery, e.g.,

- parachute, streamer or tumble recovery. Any rocket without a recovery system will be disqualified.
10. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an immediate disqualification.
11. If an engine becomes stuck, jammed, wedged, or in any other way permanently affixed in or to a rocket and cannot be removed from the rocket, the rocket will be subject to immediate disqualification.
12. Engines, hollowed out or otherwise, may not be used as display stands.
13. Rocket engines should not be used to join multi-stage rockets together.
 - a. Multi-stage rockets can be displayed without having the stages connected together.
 - b. The different stages must be included to complete the rocketry exhibit, incomplete exhibits will be deducted at least one ribbon placing.
 - c. Use of any engines to join the stages together will be subject to immediate disqualification.
14. Multi-stage rockets can be flown using just the final stage and be considered fully flown.
15. If a safety violation is noted, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon.

Construction Rules for ALL STEM Rocketry categories:

These rules apply to the construction of all rockets displayed in the STEM division.

1. Rockets are to be properly assembled according to the assembly instructions.
2. Beginner kits with prefabricated fin assemblies and prefinished rockets requiring no painting are not acceptable, and will be given a participation ribbon.
3. Plastic snap together fins that do not require alignment are not acceptable, and will be given a participation ribbon.
4. Angles of fins must fall within a plus or minus 2 degree variation using an approved fin alignment guide (such as KSSTAC10). An

official fin guide is available from www.STEM4KS.com.

5. Fins should be rounded or streamlined to reduce drag.
6. Fins and body tubes are to be sealed with sanding sealer and/or primer to eliminate the appearance of body grooves and wood grain.
7. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
8. Any seams on plastic parts are to be sanded smooth.
9. The nose cone is to fit snugly but still allow for easy removal.
10. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions, and have decals applied smoothly.
11. Non-standard surfacing (such as textured paint) may be used if directed by the instructions, this includes scratch built rockets.
12. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a "scale model." All other rockets do not have to follow the suggested paint scheme. Under no circumstances will paint scheme move the model from one ribbon placing to another.
13. "Scale models" may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
14. Scale Model Rockets are to be finished and completed with a majority (greater than 70%) of decals.

Model Rocketry Guidelines:

Model rockets are generally small-to-medium sized rockets. See 4-H Project information for examples.

1. Rockets classified as high powered may not be entered in this category.
2. Each rocket must be able to stand freely by itself or be supported by a solid base, not to exceed 4-1/4" thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

3. If the model rocket is greater than 4 feet tall it can be displayed without a base, or displayed parallel to the ground with up to 3 notched blocks not to exceed 4" in height width and depth. The exhibitor's name, county or district, and age must be labeled on the base.
4. All exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1 of the current 4-H year. However in the event that there is a modification in this code, the STEM Action Team may review and implement the modified code.

Original Design Rocket Guidelines (ages 11 and up):

1. Original design rockets cannot be a modification of a preexisting kit and must be of original design.
2. Original design rockets must be designed by the exhibitor(s).
3. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store.
4. Original design rocket instructions should not include copies of instructions in part or in whole from existing kits.
5. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying.

Alternative Skins (ages 14 and up):

Alternative skins are an advanced construction technique that allows the builders of model rockets to display maximum design and creativity in their models. Alternative skins are thin coverings over a supporting skeleton that serve as the finish of a rocket as opposed to painting.

Construction and Operating Rules and Guidelines:

1. The General exhibit rules for ALL categories apply.
2. Use of alternative skins used for model aircraft is permitted on rockets of original design provided adequate provisions are made to prevent the rocket from catching fire during all phases of flight.
3. When used in construction

these alternative skins should not be used as primary structure for the rocket. The rocket should still be of sound design and construction to ensure safety for personnel performing launch activities as well as others who are in the nearby vicinity.

Types of Covering:

1. Plastic shrink type coatings used for radio control model aircraft are permitted.
2. Other types of fabric coverings such as cloth types using coatings for stiffness are permitted as long as all of the rules set forth above are met.

Quality of Finish:

When the above finishes are used, the following judging criteria will apply in addition to those for judging other rocketry divisions.

1. Seams and transition areas will be uniform and even when they are needed in the construction.
2. Gaps and holes are not permitted in the covering especially where the fins or other stabilizing devices meet the main body of the rocket.
3. Omission of these skins from the bottom of the rocket is permissible. Paints and other types of coatings currently used for rocketry may be substituted in these areas.
4. Alternative skins in this section may also be used in conjunction with paints on the rocket. However, care shall be taken to ensure that edges of the alternative skins will not peel off in flight.

CLASS

3410 – Rocket made from kit. Include plans.

3411 – Rocket designed by exhibitor; not merely a modification of an existing kit. Include original plans. For exhibitors 11 & up. needs to line up with other words and not under a number!!!

3412 – Rocket designed by 2 or more exhibitors, not merely modification of an existing kit. Include original plans.

3413 – Rocket designed by exhibitor that uses alternative skins; not merely modification of an existing kit. Include original plans. For exhibitors 14 & up.

(E) HIGH POWER STEM ROCKETRY

Open to members age 14 years of age and older as of January 1 and enrolled in the 4-H STEM - Rocketry project. 4-H members should hold or be attempting to attain their level 1 high power certification and should include supporting documentation of such. High Power rockets may be displayed with or without a stand. In addition to the information packet completed for all rockets, a high power information form is to be completed and placed inside of the information packet. This may be downloaded from www.STEM4KS.com

CLASS

3414- High Power rocket made from kit or original design.

(F) STEM ROCKETRY EDUCATION EXHIBITS

- 3415 - Rocketry Educational Display
- 3416 - Rocketry Notebook
- 3417 - Rocketry Poster Board

(G) STEM COMPUTERS

1. The 4-H STEM computer project teaches concepts related to computers, hardware knowledge, software programming and applications, Internet safety, the building, maintenance and repair of computers and future career opportunities. The actual construction of computer hardware will remain in the Energy Management division.
2. The 4-H member must be currently enrolled in the 4-H STEM project to exhibit in this division.
3. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
4. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the computer project. Exhibits will be judged on uniqueness, creativeness, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet will be available on the www.STEM4KS.com website.
5. For 2015, display boards, posters and notebooks are the only computer exhibits accepted.

Exhibits must follow general rules regarding type, size, citing of sources etc.

6. If the notebook illustrates the creation, talks about, or shows the result of an app, application, executable, program, or other compiled/interpreted "source code," a copy of the source code should be included. Failure to include a copy of the "source code" may result in up to one ribbon place deduction.

3418 - Computer Educational Poster

3419 - Computer Display Board

3420 - Computer Notebook

42 4-H DIVISION GEOLOGY & LAPIDARY

PRIZE: Blue \$3.50; Red \$1.50.

Best of Show Plaque will be awarded.

LIMITS: Members are limited to one entry in classes 3001-3003, one entry in class 3004, three entries total.

1. Read "General Rules."
2. Exhibit boxes should be 18x24x3½ inches. All specimens are to be arranged across the narrow (18 in.) dimension of the exhibit box. Box must have Plexiglas cover that is removable from the top. Screws, locks, or other devices that would prevent judges from opening the box should not be used.
3. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the Plexiglas COVER (inside – use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).
4. Specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality where collected. The legal description (section, township, and range) of the specimen collection site is desirable but not mandatory.
5. For classes 3002-3005, specimens should be mounted in the

box by the proper groups — rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus level. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formation. Specimen label must show this distinction.

6. For classes 3002-3005, all specimens must be collected from locations in Kansas with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa Co., OK. Newton and Jasper Co., MO. However, out-of state specimens from other locations will not count in the minimum number for the class, nor will they be considered in the judging.

7. The Lapidary classes will be judged on the following criteria: Workmanship and Content – 60 points, Presentation and Showmanship – 30 points, and Accuracy of Information – 10 points.

An exhibit box smaller than the standard size may be used for the lapidary exhibits if appropriate (18x12x3½"). Specimens should be arranged across the 18 inch dimension of the exhibit box.

(A) GEOLOGY CLASS

3001 – For first year Exploring and Geology project members ONLY. Specimens can be displayed on a foam display board or in a plastic container with compartments. At least 10 specimens collected from Kansas sites during the current 4-H year must be displayed. Specimens should be categorized and displayed into groups of "rocks", "minerals" and "fossils" as stated in rule 4. Each specimen should be accompanied by an identification label OR use the general information labels provided by the county Geology leaders.

3002 – Display at least 15 rocks, minerals, and fossils collected during the current 4-H year. Limited to one exhibit box. Suggested for those 10 years old and younger or exhibiting for the first time.

3003 – Display at least 30

Photo Credit: Mcpherson Flight Club

different rocks, minerals, or fossils, at least 5 of each. 15 must be collected during the current 4-H year. Limited to one exhibit box. This class is open to those exhibiting either their first or second time.

3004 – Display at least 45 rocks, minerals, or fossils; at least 5 of each. 15 must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting either the third or fourth time at the fair. List as igneous, metamorphic or sedimentary.

3005 – Display at least 60 rocks, minerals, or fossils; at least 5 of each. 15 must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting for the fifth time or more. List as igneous, metamorphic or sedimentary.

3006-Geology Educational Exhibit: Exhibit relating to everyday living or to a mineral test; a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Digital formats are accepted. Please make arrangements for the judge to view your exhibit and have a hard copy for display. Exhibit limited to 4 feet of table space. Care should be taken to use durable materials that will withstand fair conditions.

(B) LAPIDARY

All lapidary specimens should be labeled with the following information:

- Specimen name
- Place of origin (country, state, or county; county required for Kansas specimens)

- Purchased or self-collected
- Date lapidary treatment began
- Date lapidary treatment completed (Treatment completed after the fair is considered a new year specimen).

CLASS

3007 – Lapidary. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after,” nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the fair for the first time may exhibit in this class.

3008-Lapidary. Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirements that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

3009-Lapidary. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

3010-Lapidary. Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'er, at least two of

which come from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

3011-Lapidary. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

(C) OPEN TO ALL GEOLOGY EXHIBITORS CLASS

3012 – Special exhibit relating geology to everyday living; or a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral or variations of one kind of rock or Indian artifacts. Exhibit limited to 4' of table space.

3013 – Craft project using rocks, fossils, and/or minerals. Kits are acceptable. Exhibitors are limited to 2 entries in this class.

(D) MINERALOGY CLASS

3014 –Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, and Silicates)and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (i.e.: CaCO3 for calcite) if known.

43 4-H DIVISION READING

PRIZES: Blue \$3.50; Red \$1.50.
Best of Show Plaque will be awarded
LIMITS: Members are limited to one entry in each class.

1. Read “General Rules.”
2. Emphasis of display will be on telling what you have learned in the reading project by using pictures, models, actual objects, etc. focusing on a specific book, book series, author, etc. Members limited to one entry.
3. Each person submitting an entry must furnish his own card table for each entry, size not to exceed 36 x36 inches.

CLASS

- 3301- Reading for Pleasure
- 3302- Reading for Project Enrichment

PRIZES: Blue \$3.50; Red \$1.50.

44 4-H DIVISION PROJECT DISPLAYS

Best of Show Plaque will be awarded
LIMITS: Members limited to one entry per project area, maximum of 3 entries.

1. Read General Rules
2. Emphasis of display will be on telling the story of what was done in the 4-H project. Display may show a process, finished product, before-after, something learned, etc. **A WRITTEN STORY WILL NOT BE ALLOWED.**
3. Read 4-H rules for educational exhibit requirements.
4. Each person submitting an entry must furnish his own card table for each entry, size not to exceed 36x36 inches.

CLASS

- 4001 - Beginner Project Displays
- 4002 - Junior Project display
- 4003 - Intermediate Project displays
- 4004 - Senior Project displays

45 4-H DIVISION ENTOMOLOGY

PRIZE: Blue \$3.50; Red \$1.50.
Best of Show Plaque will be awarded
Plaque for Best of Show

1. Read “General Rules.”
2. Individual entries are to be placed in Plexiglas-covered wooden boxes, 18x24x3-1/2 inches (maximum). See the specific phase for box and specimen number limitations.
3. Each exhibitor is required to

identify each box by placing an identification label bearing name and county in the upper left corner of the box (inside) and by attaching a label with the same information on the back of the box (outside). The number of orders, specimens, and families (families are required only in Intermediate and Advanced classes) must be included on the exhibitor's box identification label.

4. Arrange specimens in the box so it can be displayed lengthwise.

5. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged in the box according to order. Begin with the more primitive orders first (Collembola) and follow the sequence used in "Insects in Kansas," book: 2016 revised taxonomy.

6. For each collection class, two

labels will be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label is the date/locality label.

7. Emphasis in judging will be placed on the overall variety of Kansas insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection.

8. The Advanced Entomology classes are for 4-H members also enrolled in a self-determined project.

9. Specimens of soft bodied insects should be exhibited in alcohol filled vials, however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant

hazard to the rest of the collection if they become loose in transit.

10. Educational exhibits in classes 2804, 2806 and 2808, are limited to one standard box and a maximum of 150 specimens, prepared by members enrolled in entomology. Information on numbers and kinds of insects is not needed for educational exhibits. Displays may consist of specialized groups of insects, or relate to any aspect of insect life. Topic of educational exhibit to be indicated inside box on identification label.

(A) INTRODUCTORY ENTOMOLOGY CLASS

2801 – Insect collection of at least 6 orders including 15 to 30 insects to be shown in 2 cigar boxes or a standard box and grouped according to order. Insect names are not necessary on individual specimens but date/locality labels are required. Order labels should be pinned to the base of the box. **Read rule #5

(B) BEGINNING ENTOMOLOGY I CLASS

2802 – One Box, minimum of 50 specimens, maximum 125 specimens representing at least 7 orders. Limitations: Members may exhibit in this class for up to 3 years or until a purple ribbon is received, whichever comes first.

(C) BEGINNING ENTOMOLOGY II CLASS

2803 – One box, minimum of 75 specimens, maximum of 150 specimens representing at least 9 orders. Family identification is not required. Limitations: Members may exhibit in this class for up to 3 years or until a purple ribbon is received, whichever comes first.

2804 – Educational Exhibit

(D) INTERMEDIATE ENTOMOLOGY CLASS

2805 – Collection – Display a minimum of 100 and a maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. Specimens should be grouped according to order. In addition, insects in the order of Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera, and Hymenoptera are to be

identified to family. Pin family labels to the bottom of the box.

2806 – Educational exhibits

(E) ADVANCED ENTOMOLOGY CLASS

2807 – Collection – Display a minimum of 150 and a maximum of 450 insects representing at least 12 orders. Three standard boxes can be used. Family identification is required for all insects as outlined in Class 2805.

2808 – Educational exhibit
Classes 2809-2812 - for more information on what should be included in entomology collection notebooks, go to www.entomology.k-state.edu/extension/4-h-and-youth/

2809 – Introductory Entomology Collection Notebook: minimum of 10 and maximum of 30 insect species representing at least 6 different orders.

2810 – Beginning Entomology Collection Notebook. Minimum of 30, maximum 60 insect species representing at least seven different orders.

2811 – Intermediate Entomology Collection Notebook. Minimum of 60, maximum of 100 insect species representing at least 9 orders.

2812 – Advanced Entomology Collection Notebook: minimum of 100 insect species representing at least 12 orders.

46 4-H DIVISION NOTEBOOKS

PRIZE: Blue, \$3.50; Red, \$1.50.
Best of Show Plaque

1. Read "General Rules."
2. All 4-H Clubs are encouraged to exhibit the secretary's notebook. Any 4-H Club may exhibit a notebook on their project - health, safety, etc.). A notebook guide sheet is available
3. Members may enter any 4-H notebook made for a specific project, but the notebook cannot be used in two exhibits.
4. Guidelines for Secretary, Reporter, and Historian's notebooks are available at the Extension Office.
5. All notebooks must be of the

4-H is open to all youth ages 5-18 and adult volunteers of all ages working together. 4-H is an organization for youth to learn more about their community (Citizenship); be a role model and teach others (Leadership); and explore interest areas that will offer ongoing learning (Life Skills). There is no fee to be a 4-H member, simply choose a club to join. 4-H organizes for the new year on October 1. Youth may join throughout the year, but must join by May 1 in order to participate at the Fair. Clubs meet monthly to work on projects, teach parliamentary procedures, or carry out community service projects. For more information about a club near you and how to join contact the McPherson County Extension Office 620-241-1523.

current year's work. If adding to a club historian notebook, the entire book can be entered, however, judging will only occur on the portion completed by the participant(s) this year.

(A) CLASS

- 3101- Secretary's Notebook
- 3102 - Reporter's Notebook
- 3103 -Historian's Notebook
- 3104 -Club Project Notebook
- 3105 - Individual Project Notebook
- 3106 - Treasurer's Notebook

47 4-H DIVISION SHOOTING SPORTS

PRIZE: Blue, \$3.50; Red, \$1.50
Best of Show Plaque will be awarded.

1. Exhibits in this division are open to educational or creative displays, limit one entry in each class. Follow copyright laws as you are preparing your exhibit. Take care to select durable materials to withstand fair conditions. Educational Display: Entries should prominently incorporate the 4-H Clover with KSRE co-branding and should include the shooting sports emblem. Must be the standard in-fold board ONLY. must not exceed standard tri-fold: 4'x3'. Promotional Posters: must be flat and no larger than 22"x30". Flat poster/foam-core/cardstock board, tri-fold foam-core/cardboard or Shooting Sports Exhibit Cases are all acceptable. Exhibits exceeding the size guidelines will be penalized one ribbon color.
2. No "live" ammunition containing propellant or explosive powders may be used in any display. Artistic substitutes must be used in lieu of powder and "live" ammunition.
3. Complete guidelines for displays and judging guidelines available from the Extension Office.

(A) CLASS

- 3201-Educational Display, must be directly related to the shooting sports project.
- 3202-Promotion Poster, must be directly related to promoting 4-H Shooting Sports.

48 4-H DIVISION SELF-DETERMINED DIVISION

PRIZE: Blue, \$3.50; Red, \$1.50.
Best of show will not be selected.

1. Read "General Rules"
2. If project needs table space or floor space larger than 3'x3', the superintendent needs to be contacted on or before July 1 in order to display room for the project. If superintendent is not contacted, entry of project will not be allowed.

(A) SELF DETERMINED CLASS

3501-Self-Determined Project

(B) STAMP COLLECTING

1. Stamps added to albums for second and later years must be catalogued on a separate sheet in the front of each album.

CLASS

3502- Stamp classes on 8-1/2" x 11" sheet (one side only). Five of 9 types, first year. All 9 types in second and later years.

3503-Album

3504-Promotional display or poster

3505-Miscellaneous

49 4-H DIVISION FORESTRY

PRIZE: Blue, \$3.50; Red, \$1.50.
Best of Show Plaque.

1. Members are limited to one entry per class.
2. Leaf exhibits must be mounted on 8-1/2" x 11" heavy stock paper and placed in loose-leaf binders. Twigs and fruit collections may be exhibited in whatever manner you choose with

maximum size 2' x 3'. If leaf is too large, exhibit as much of terminal portions as possible and sketch in reduced scale the entire leaf, illustrating where the exhibited portion comes from.

3. Leaves should be identified with common name, location where collected, and date collected.
4. Specimens should be divided into Native Kansas Trees and Non-Native Trees. Do not duplicate specimens previously exhibited. Group samples by year collected. Replaced specimens do not count as new specimens, but labels should be updated.
5. Work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.

CLASS

- 4101- Beginning (choose A or B)
 - A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within year. May include non-native trees in addition to required native leaves.
 - B. Exhibit a minimum of 5 native Kansas trees showing leaf, twig, and fruit from each species collected.
- 4102 - Intermediate (choose A or B)
 - A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. May include non-native leaf specimens in addition.
 - B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig and fruit from each species collected. Must include 5 new specimens of each.
- 4103 - Senior (Choose A or B)
 - A. Exhibit a minimum of 30

different leaves (including 10 new specimens) from native Kansas trees. May include non-native specimens in addition.

- B. Exhibit a minimum of 15 native Kansas trees showing leaf, twig and fruit from each species. Must include 5 new specimens of each.

4104 - Advanced (Choose A or B)

- A. Exhibit a minimum of 40 different leaves including 20 new species from native Kansas trees. Exhibit may include additional non-native specimens.
- B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new specimens of each.

4105 - How a Tree Grows Display.
 4106 - Tree Appreciation Display.

50 4-H DIVISION WILDLIFE

PRIZE: Blue, \$3.50; Red, \$1.50.
Best of Show Plaque

1. An exhibitor may make one entry in each class.
2. Types of exhibits are open to educational or creative displays, educational posters or notebooks. See 4-H general rules.
3. Exhibitors must comply with state and federal laws.
4. Judging criteria at the Extension Office.

CLASS

- 4303 - Educational Display
- 4304 - Taxidermy/ tanning exhibit. Include an attachment that shows work in progress or a detailed journaling of the process.
